St. John Ambulance—Vital in Canada

The humanitarian work of St. John first came to Canada in the 1600s when the Knights of Malta held positions in New France, known today as Quebec. In 1635, the Lieutenant-General of Acadia (today's maritime provinces) applied to the Knights to organize a branch of the Order at Port Royal. With no funds available to support a base in Acadia, it would be nearly 250 years before the Order could be permanently established in Canada.

As generations passed, the establishment of the St. John Ambulance Association in England helped to bring the Order's medical work back to Canada. By 1882, first aid courses developed by St. John Ambulance were being taught in Quebec City. Soon courses were offered in Kingston, Ontario, and by 1892 there were 12 branches of St. John Ambulance in Canada, from coast-to-coast.

The St. John Ambulance Brigade grew alongside the training association. The first unit was formed in London, Ontario in 1909, followed by a women's division in Toronto in 1912. In the years since, St. John Ambulance has continued to thrive with involvement in both World Wars as well as support during major times of crisis. Canada became a Priory of the Most Venerable Order in 1942.

St. John Ambulance volunteers were there to help after Nova Scotia mining tragedies in the 1950s and 1990s. St. John also assisted people in the Mississauga, Ontario train derailment in 1979, and was on the scene at the Barrie, Ontario tornado in 1985. Volunteers helped thousands overcome the Manitoba floods of 1997 as well as eastern Ontario's ice storm of 1998.

St. John in Canada proudly displays an eight-pointed White Cross on a black background, superimposed on the Maple Leaf. The four arms of the Cross symbolize the virtues of Prudence, Temperance, Justice and Fortitude.

HANDOUT No. 6-3

The Priory consists of a National Headquarters in Ottawa and Councils in each province, the Federal District, the Northwest Territories, as well as Special Centres.

Priory Chapter is the governing body of the Priory of Canada and may exercise any of the powers conferred upon the Priory by the Royal Charter, the Statutes, or the Rules and Regulations authorized for use in the Priory. Priory Councils are responsible, through the Council President, to the Chancellor and the Priory Chapter.

The role of National Headquarters is to provide leadership, co-ordination and direction to meet the changing needs of the people of Canada. Specifically National Headquarters plays a responsible role in quality assurance, program development, and development of guidelines.

Councils are responsible for the delivery of Association and Brigade services within their geographical areas. Many councils, such as Ontario Council, have Branches. Branches are responsible to their Councils for the conduct of affairs of the St. John Ambulance Association and Brigade within their geographic area of responsibilities.*

2. Objects of the Order

The objects of the order are:

- The encouragement of all that makes for the moral and spiritual strengthening of mankind in accordance with the first great principle of the Order embodied in its motto “Pro Fide - For the Faith.”
- The encouragement and promotion of all works of humanity and charity and for the relief of persons in sickness, distress, suffering and danger without distinction of race, class or creed and the extension of the second great principle of the Order in its motto “Pro Utilitate Hominum - For the Service of Mankind”.

3. THE EIGHT POINTED CROSS

The Eight-Pointed Cross is the Order’s religious symbol, worn by all Knights, their cross of profession. It will be later used as a badge to identify possessions of the Order as well. Besides being a general symbol of the crucifixion of Christ, it is white to represent purity. The four arms symbolize four virtues: Prudence (Carefulness and Forethought), Justice (Fairness), Temperance (Moderation of all Things), and Fortitude (courage and Endurance).

The eight points represent The Beatitudes (spiritual joy, live without malice, weep over your sins, humble yourself to those who injure you, love justice, be merciful, be sincere and pure of heart, suffer persecution), the spiritual qualities blessed by Christ in the Sermon on the Mount. The modern badge of the Most Venerable Order of the Hospital of St. John of Jerusalem includes lions and unicorns, the supporters of the Royal coat-of-arms, between the angles of the cross, granted by the British Crown to show that it is a Royal Order.

For a St. John Member, the Cross symbolizes the qualities needed to be a good First Aider, observation, tact, resource, dexterity, explicitness, discernment, perseverance and sympathy. The Cross is known as the Maltese Cross because it became associated with the island of Malta during the period of lengthy rule by the Order of St. John of that Island.

* In some cases, there are Branches without Brigade Divisions or Brigade Divisions without Branches existing in their area.

5. THE MEMBERS' PRAYER

PRO UTILITATE HOMINUM

Let us pray to God, through Jesus Christ our Lord, that as we wear the sign of our Redemption, so we may ever remember in our lives that its four arms symbolize the cardinal Virtues - Prudence, Temperance, Justice, and Fortitude; that its points represent the eight Beatitudes which spring from the practice of those Virtues and that its whiteness is the emblem of the purity of life required in those who fight for the defence of the Christian Faith and live for the service of the poor and suffering.

Amen
