

Therapy Dog Manual

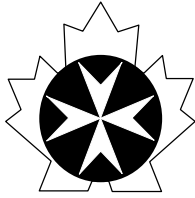

Therapy
Dog

St. John Ambulance

December 2000

All evaluation of handler/dog teams for admittance to the Therapy Dog Program must be conducted using the *National Therapy Dog Evaluation*. To ensure the preservation of national standards, no deviation from this evaluation may occur.

Acknowledgements

Author: Ruth Vant
Editor: Yvonne Coveney-Boyd

St. John Ambulance wishes to acknowledge and thank all the people who took time to answer questions, read pages and offer advice — you know who you are!

The use and reproduction of any or all parts of this manual is encouraged. Acknowledgement of St. John Ambulance Canada is requested.

The Therapy Dog Manual would not have been possible without the generous support of **Sun Life Financial**.
