

BLOWIN' IN THE WIND

How many roads must a man walk down,
Before they call him a man?
How many seas must a white dove sail,
Before she can sleep in the sand?
How many times must the cannonballs fly,
Before they're forever banned?

The answer my friend, is blowin' in the wind, | CHORUS
The answer is blowin' in the wind. | CHORUS

How many years must a mountain exist,
Before it is washed to the sea?
How many years can some people exist,
Before they're allowed to be free?
How many times can a man turn his head,
And pretend that he just doesn't see?

CHORUS

How many times must a man look up,
Before he can see the sky?
How many years must one man have,
Before he can hear people cry?
How many deaths will it take 'till he knows,
That too many people have died?

CHORUS

Where have all the flowers gone? Long time passing,
Where have all the flowers gone? Long time ago,
Where have all the flowers gone?
Young girls picked them everyone:
When will they ever learn? When will they ever learn.

Where have all the young girls gone? Long time passing,
Where have all the young girls gone? Long time ago,
Where have all the young girls gone?
Gone to young men everyone:
When will they ever learn? When will they ever learn.

Where have all the young men gone? Long time passing,
Where have all the young men gone? Long time ago,
Where have all the young men gone?
Gone to soldiers everyone:
When will they ever learn? When will they ever learn.

Where have all the soldiers gone? Long time passing,
Where have all the soldiers gone? Long time ago,
Where have all the soldiers gone?
Gone to graveyards everyone:
When will they ever learn? When will they ever learn.

Where have all the graveyards gone? Long time passing,
Where have all the graveyards gone? Long time ago,
Where have all the graveyards gone?
Gone to flowers everyone:
When will they ever learn? When will they ever learn.

FIRES BURNING

Fires burning, Fires burning
Draw nearer, draw nearer
In the glowing, In the glowing
Come sing and be merry.

WHERE HAVE ALL THE FLOWERS GONE

ONE TIN SOLDIER

Listen children to a story, that was written long ago
`bout a kingdom on a mountain and the valley folk below
On the mountain was a treasure, buried deep beneath a stone
And the valley people swore they'd have it for their very own.

Go ahead and hate you neighbor, go ahead and cheat a friend | **CHORUS**
Do it in the name of heaven, you can justify it in the end |
There won't be any trumpets blowin', come the judgment day |
On the bloody morning after, one tin soldier rides away |

So the people of the valley, sent a message up the hill
Asking for the buried treasure tons of gold for which they'd kill
Came an answer from the kingdom, with our brothers we will share
All the secrets of our mountain, all the riches buried there

CHORUS

Now the valley cried with anger, mount your horses draw your sword
And they killed the mountain people so they won their just reward
Now they stood beside the treasure, on the mountain dark and red
Turned the stone and looked beneath it,
"Peace on earth" is all it said.

TAPS

Day is done
Gone the sun
From the hills
From the lake
From the sky
All is well
Safely rest
God is nigh.

THE UNICORN

A long time ago when the earth was green
There were more kinds of animals than you'd ever seen
They'd run around free when the earth was being born
But the loveliest of them all was the unicorn.

There were green alligators, and long necked geese | **CHORUS**
Some humped backed camels, and some chimpanzees |
Some cats and rats and elephants, but sure as your born |
The loveliest of all was the unicorn. |

Now God seen some sinnin' and it gave him pain
And he says `stand back I'm going to make it rain'
He says `Hey brother Noah, I'll tell you what to do,
Build me a floating zoo.'

CHORUS

Now Noah was there to answer the call
He finished up making the ark just as the rain started to fall
He marched in the animals, two by two
And he called out as they went through

CHORUS

Noah looked out through the driving rain
Those unicorn were hiding, playing silly games
Kicking and splashing as the rain began pouring
O those silly unicorn

CHORUS

The ark started moving, it floated with the tide
The unicorn looked up from their rocks and they cried
And the waters came down and simply floated them away
And that's why you've never seen a unicorn to this very day

CHORUS

KUM-BY-AH

Kum-by-ah, my Lord, Kum-by-ah | **CHORUS**
Kum-by-ah, my Lord, Kum-by-ah |
Kum-by-ah, my Lord, Kum-by-ah |
O Lord, Kum-by-ah. |

Someone's Crying, Lord, Kum-by-ah ... **CHORUS**
Someone's Laughing, Lord, Kum-by-ah ... **CHORUS**
Someone's Praying, Lord, Kum-by-ah ... **CHORUS**
Someone's Sleeping, Lord, Kum-by-ah ... **CHORUS**

Kum-by-ah, my Lord, Kum-by-ah
Kum-by-ah, my Lord, Kum-by-ah
Kum-by-ah, my Lord, Kum-by-ah
O Lord, Kum-by-ah.

THIS LAND IS OUR LAND

This land is your land, this land is my land | **CHORUS**
From Buena Vista, to the Vancouver Island |
From the Arctic Circle, to the Great Lakes waters |
This land was made for you and me |

I roamed and rambled, and followed my footsteps
To the sparkling Roresus, of her giant mountains
And all around me, a voice was singing
This land was made for you and me

CHORUS

As I was walking, that ribbon of highway
I saw above me, that endless skyway
I saw below me, the Golden Valley
This land was made for you and me

CHORUS

As the sun was shining, and I was strolling
And the wheat fields waving, and the dust clouds blowing
As the fog was lifting, a voice was saying
This land was made for you and me

CHORUS

A PLACE TO STAND

Give us a place to stand, and a place to grow
And call that land, Ontario.

A place to stand, a place to grow
Ontar - i - ar - i - ar - i - o

A place to live, for you and me
Where hopes are high, as the tallest tree.
Give us a land of lakes, and a land of snow
And call this land, Ontario

YELLOW SUBMARINE

In the town where I was born
Lived a man who sailed to sea
And he told us of his life
In the land of Submarines.

So we sailed up to the sun
`til we found the sea of green
And we lived beneath the waves
In our Yellow Submarine.

We all live in a Yellow Submarine,
A Yellow Submarine, A Yellow Submarine.
We all live in a Yellow Submarine,
A Yellow Submarine, A Yellow Submarine.

| **CHORUS**

And our friends are all aboard
Many more of them live next door
And the band begins to play

CHORUS

As we live a life of ease
Everyone of us and all we need
Sky of blue, Sea of green
In our Yellow Submarine

CHORUS

Michael row your boat ashore, hallelujah

CHORUS

CHORUS

If I had a hammer, I'd hammer in the morning,
I'd hammer in the evening, all over this land,
I'd hammer out danger, I'd hammer out a warning,
I'd hammer out the love between my brothers and my sisters
All over this land.

If I had a bell, I'd ring it in the morning,
I'd ring in the evening, all over this land,
I'd ring out danger, I'd ring out a warning,
I'd ring out the love between my brothers and my sisters
All over this land.

If I had a song, I'd sing it in the morning,
I'd sing in the evening, all over this land,
I'd sing out danger, I'd sing out a warning,
I'd sing out the love between my brothers and my sisters
All over this land.

Well I've got a hammer, and I've got a bell,
And I've got a song to sing all over this land,
It's the hammer of Justice,
It's the bell of Freedom,
It's the song about the Love between my brothers and sisters
All over this land.

IF I HAD A HAMMER

PUFF THE MAGIC DRAGON

Puff the magic dragon, lived by the sea
And frolicked in the autumn mist, in a land called Honalea.
Little Jackie Paper loved that rascal Puff,
And brought him strings and sealing wax, and other fancy stuff.

Puff the magic dragon, lived by the sea		CHORUS
And frolicked in the autumn mist		
In a land called Honalea		
Puff the magic dragon, lived by the sea		
And frolicked in the autumn mist		
In a land called Honalea		

Together they would travel, on a boat with billowed sail,
Jackie kept a lookout perched on Puff's gigantic tail.
Noble kings and princes would bow when'ere they came,
Pirate ships would lower their flags,
when Puff roared out his name.

CHORUS

A dragon lives forever, but not so little boys.
Painted wings, and giant's things, make way for other toys,
One great night it happened, Jackie Paper came no more,
And Puff, that mighty dragon, he ceased his fearless roar.

His head was bent in sorrow, green scales fell like rain,
Puff no longer went to play along the cherry lane,
Without his lifelong friend, Puff could not be brave,
So Puff, that mighty dragon, sadly slipped into his cave

CHORUS - CHORUS

THE TITANIC

O they built the ship Titanic
To sail the ocean blue
And they thought they had a ship
That the water wouldn't go through
But the good Lord raised his hand
Said the ship would never land
It was sad when the great ship went down.

Oh, it was sad [so bad]		CHORUS
Oh, it was sad [boo hoo]		
It was sad when the great ship went down		
To the bottom sea - ea - ea - ea.		
It was sad when the great ship went down.		

Oh, they were nearing England's shore
When they heard a mighty roar
That the rich refused to associate with the poor
So they put them down below
Where they were the first to go
It was sad when the great ship went down

CHORUS

Oh, the moral of this story
As you can plainly see
Is to wear a life preserver
Whenever you go out to sea
Cause the good Lord raised his hand
Said the ship would never land.
It was sad when the great ship went down

CHORUS

They built another ship called the SS-92
And they thought they had a ship
that the water wouldn't go through
While they christened it with beer
And it sank right off the pier
It was sad when the great ship went down

CHORUS

The other day ... The other day
I met a bear ... I met a bear
A great big bear ... A great big bear
Away out there ... Away out there
The other day I met a bear, a great big bear away out there

He said to me
Why don't you run
I see you ain't
Got any gun ...

And so I ran
Away from there
But right behind
Me was that bear

In front of me
There was a tree
A great big tree
O glory be

The nearest branch
Was ten feet up
I'd have to jump
And trust my luck

And so I jumped
Into the air
But I missed the branch
On the way up there

Now don't you fret
Now don't you frown
`cause I caught that branch
On the way back down

This is the end
There ain't no more
Unless I meet
That bear once more

And so I met
That bear once more
And now he's a rug
On the living room floor

Was a feelin' fine...
Ate three red shirts...
Right off of the line...
Mrs. Murphy the cook...
She beat him black...
And tied him to...
A railroad track...
Singing Aurevior...
But no goodbye...

For that old goat...
Wasn't doomed to die...
He coughed and coughed...
In mortal pain...
Coughed up those shirts...
And flagged the train...
But the engineer...
Was color blind...
He thought those shirts...
Were the go ahead sign...
