METHOD	One Officer with each group will: assist the campers to pitch and strike a tent in groups demonstrate a Coleman stove & lantern assist campers in designing and building a camp gadget

Set the goal

A goal is something that you aim for. You may not arrive there, but you can try.

Ask

What will the cadets/crusaders get from this camp?? e.g. camp skills, leadership training, a proficiency subject, leisure, etc.

Set Objectives

How will I reach my goal? There may be several objectives making up the initial goal. An objective is a specific description of what is to be accomplished. It contains an action verb and is measurable. At the end you can say "YES, I did that!"

Method

How will I carry out the objective? e.g. demonstrations, games, lectures, nature walks, etc.
