

St. John Council for Ontario 2002 Stone Fund Vehicle Acquisition Subsidy Regulations

1. Application(s) must be completed in full and signed by the Branch Chair and Divisional Superintendent, and approved by the District Chair and District Commissioner for consideration.
2. The subsidy will be used for the purpose of vehicle procurement (new or used) and to make the vehicle road-worthy and serviceable as a mobile first aid post or patient transport unit. This may include related equipment, modifications, bodywork and exterior markings.
3. Consideration will be given to replacing vehicles that are mechanically unfit (requiring cost prohibitive repairs), and those over 10 years of age.
4. Need for vehicle type/style must be justified on the application
5. As a condition of receiving the subsidy the Branch/Community Services Unit must demonstrate fiscal need. The past year's financial statement and the current year's budget of the Branch/Community Services Unit must be attached as part of the application process.
6. The subsidy is based on a 50% maximum cost sharing between Council and the Branch/Community Services Unit, and the subsidy is not to exceed \$7,500 per Branch or Community Services Unit and will be provided at the time of procurement of the vehicle. The actual amount of the subsidy to be determined by Council upon review of the application. Other grants or contributions toward the purchase must be reported, and will be deducted from the purchase cost.
7. As a condition of receiving the subsidy the Branch/Community Services Unit must provide a safety inspection certificate to Council's Community Services Department before funds are issued.
8. As a condition of receiving the subsidy the Branch/Community Services Unit must implement a Council approved preventative maintenance program.
9. Failure to comply with standards approved in the application will result in the Branch/Community Services Unit having to modify the vehicle at the Branch/Community Services Unit's cost prior to the vehicle being placed into service. These modifications must be to Council's satisfaction.
10. Vehicles purchased through the subsidy will not be sold/dispensed of without the authorization of Council. Council reserves the right to designate how and where the vehicle will be sold/dispensed.
11. Applications will be distributed annually to all Branches/Community Services Units and can be submitted at any time throughout the calendar year. Applications will be reviewed regularly.
12. A committee composed of a member of the Provincial Community Services Committee; a member of the Provincial Finance Committee and a member of the Council Board will review applications regularly.
13. This committee will also annually review subsidy regulations, including the application process.
