RE: **Camp Accreditation Course for 2003 - Certificate Program**

St. John Ambulance members enjoy camping and throughout this country many St. John Ambulance Camps take place. To ensure proper training standards for our leaders, the National Camp Accreditation Course is designed to train competent leaders who will operate a successful, safe camp for their members.

It is the responsibility of all leaders (Youth and Adult), that proper application to hold a camp is made to our Provincial Office and that all necessary safety issues are addressed in the application to hold a camp. One of these safety issues is the proper supervision of all participants and the inclusion and participation of supervisory leaders on the camp staff who are certified and in good standing with our National Camp Accreditation Program.

With the help of Mr. Doug Keith, our next course will be held on the **June 13th-15th, 2003** weekend. Applications for this spring course will be due by **June 5th**. We will likely hold a second course in the Fall 2003 if deemed necessary. We are planning to hold our April course at *Blue Springs Scout Reserve* (South West of Acton, off Hwy 25 north of 401). This course will involve both indoor classes and outdoor practical exercises. Accommodation for course candidates will involve sleeping outdoors in tents on at least one of the two nights. This is a full course, so no previous experience is necessary. Candidates wishing to maintain their Level or challenge for a Level upgrading may come on the Saturday only and demonstrate their skills, but will be required to show camping history for the past 3 years in order to maintain or upgrade. The candidate cost for this course will be \$50 (\$20 for Saturday only) and will cover all meals, accommodation and course materials while on course. Transportation costs will be the responsibility of the course candidates.

We wish divisions to identify suitable candidates to ensure that every unit can be in a position to run camps should they choose to incorporate them into their programs during the coming year. Youth leaders 18 years of age or over, or Adult members 18 years of age or over who are in good standing in St. John Ambulance, having a suitable police record check on file with our Provincial Office may be considered candidates for these courses. The recommended National Course Syllabus can be found online at: <http://www.sja-ontario-cadets.org/manuals/sji/2-3-4b.htm>.
