RE: Camp Accreditation Course for 2009 - Certificate Program

---

*St. John Ambulance (SJA) Members enjoy camping and throughout this country many SJA Camps take place. To ensure proper training standards for our leaders, the National Camp Accreditation Course is designed to train competent leaders who will operate a successful, safe camp for their members."*

It is the responsibility of all SJA Branches and affiliated Community Services leaders, that proper application to hold a camp is made to the SJA Provincial Office and that all necessary safety issues are addressed in the application to hold a camp. One of these safety issues is the proper supervision of all participants and the inclusion and participation of supervisory leaders on the camp staff who are certified and in good standing with SJA's National Camp Accreditation Program.

With the help of one of SJA's camp specialists, it is our intention to provide a course this Spring. We are looking at holding a course on the **May 22<sup>nd</sup>-24<sup>th</sup>, 2009** weekend at *Kiwanis Apps Mill Centre* (West of Brantford, off Hwy 403 South). Applications for this Spring course will be due by **May 09<sup>th</sup>**. This course will involve both indoor classes and outdoor practical exercises. Accommodation for course candidates will involve both sleeping indoors and sleeping outdoors in tents. This is a full course, so no previous experience is necessary. Candidates wishing to maintain their Level or challenge for a Level upgrading may come on the Saturday only and demonstrate their skills, but will be required to show camping history for the past three (3) years in order to maintain or upgrade. The candidate cost for this course will be \$60 for the weekend (\$20 for Saturday only) and will cover all meals, accommodation and course materials while on course. Transportation costs will be the responsibility of the course candidates.

We would like Units to identify suitable candidates to ensure that every unit can be in a position to run camps should they choose to incorporate them into their programs during the coming year. Youth leaders 18 years of age or over or Community Services members 18 years of age or over who are in good standing in St. John Ambulance, having a suitable police record check on file with our Provincial Office may be considered candidates for these courses. The recommended National Course Syllabus can be found online at: <http://www.stjohnonline.ca>
