

St. John Ambulance Saint-Jean

Council for Ontario

Memorandum

TO: DISTRIBUTION
FROM: Don Smith, Provincial Cadet Officer
DATE: 1 November 2000
RE: 2000 International Cadet First Aid Competition - Ontario Results

It is with great pleasure that I congratulate the twenty Cadet teams who participated this year in this annual International event. While it will be a number of weeks prior to receiving our International results; I am pleased to announce our Provincial results at this time. I hope that all divisions participating this year will advocate to others the importance of participating in training events like this one and urge others to join us next year.

Congratulations to all of our participating teams! In recognition of their distinguished effort, I would like to publicly recognize the top five Ontario teams and wish 577 Midland Penetanguishene well as we wait for our International results.

1	557 Midland Penetanguishene Quad Division - Team "Anonymous"
2	405 Scarborough Cadet Division
3	107 Barrie Cadet Division - Team "The Bone Collectors"
4	570 Oakville Cadet Division
5	1037 Agincourt Cadet Division - Team #2

I would remind all divisions that Cadets Online (<http://www.sja-ontario-cadets.org>) contains a large collection of digital photos taken of this event at all three of our venues this year. In addition, the competition problem set for this year and the last ten years will be posted in our online competitions archive. I urge you to get a copy of Acrobat Reader so that you can take full advantage of all of our resources available online.
