**RE: Youth Supervisor Course Instructors**

Council for Ontario has recently developed a condensed version of the National Youth Leadership Course (Youth Supervisor's Course) geared toward individuals that are not directly involved with Youth program participants on a regular basis (e.g. MFRs, Parent Volunteers, Board Members, Instructors, etc.), but potentially might be asked to supervise SJA Youth program participants from time to time.

This course has been designed to be delivered at a local level using branch assigned, Council approved instructors. It introduces potential supervisors to the SJA Youth Program and outlines the information and expectations required to supervise SJA Youth. This course is an essential asset for all SJA members and parent volunteers interested in supervising Youth Program Participants.

Ideally we are looking for one or more course instructors per Branch to deliver this new program locally. Potential instructors will be members (18 years of age or older) with the following attributes that are interested in volunteering their time and expertise to help deliver this innovative program:

- Leaders, instructors, facilitators, coaches, motivators
- Enthusiastic and good communicators
- Well respected by peers
- Comfortable in team teaching situations
- Enjoy helping others learn and develop
- Embrace this program concept
- Embrace continuous learning
- Ability to commit to occasional weekend training

Interested individuals are requested to complete the attached form and submit it to the Council Office (Attention: George Yaworski, Coordinator, Standards) no later than May 1, 2009.

Approved instructors will be sent course-related materials for self-study along with my contact information, should you have any questions with respect to the program materials or affiliated delivery.

Thank you.
