Re: Remedial Evaluator Recertification

Pursuant to Therapy Dog operational standards, all Evaluators and Assistant Evaluators are required to re-certify on an annual basis to maintain their status. This year we will be conducting one additional remedial session for those who were unable to attend the spring sessions, held earlier this year. Those who have not attended one of the previous sessions are encouraged to attend this final session for the year. Joining me this year will be Provincial Coordinator Terry Fast. Terry would like to review policy and share information with unit Coordinators and their Assistants, as well as address any individual concerns with respect to our program.

This remedial re-certification seminar will be held:

November 1, 2003
St. John Ambulance
8A Rutherford Road South
Brampton, ON
(905) 459-2440
9:00am

Coffee and donuts will be served at 9:00am and the first session will begin promptly at 9:30am. Lunch will be provided and the seminar should be finished by 4:00pm.

New Assistant Evaluators or anyone wishing to upgrade must also attend.

If there is a specific topic that you would like to discuss during question and answer period, please indicate this on the following form.

DEADLINE FOR SUBMISSION OF FORMS IS October 24, 2003
