The National St. John Ambulance (SJA) Youth Leadership Training Program is a course that continuously evolves and is offered on a regular basis to all SJA Youth Leaders across Canada. This informative course introduces leaders to the SJA Youth program, and outlines all the required information and expectations required to run an effective SJA Youth program. **This course is essential for all SJA Youth leaders across Canada that have direct involvement with SJA Youth. Current SJA Youth leaders are required to be certified and** attend the course within the first year of taking on their Youth leadership position.

Council will be holding a Youth Leadership Course the weekend of November 08 & 09, 2008 in Alliston, Ontario. The course will be held at the Baxter Building in Alliston, located at 89 Centre Street South. The course will run from 9 a.m. - 5 p.m. on Saturday and 9 a.m. - 4 p.m. on Sunday. Registration forms are due back to Council by November 01, 2008.

A copy of the course manual is available on-line for viewing at [www.StJohnOnline.ca](http://www.StJohnOnline.ca) under the resources tab. A hard copy of the manual will be provided to you at the course. There is no charge for the course; however participants are required to register in advance. Any travel and accommodation expenses for the weekend will be the responsibility of the participants. Council will provide refreshments in the morning and afternoon and lunch will also be provided.

Council is committed to the National goal of having all of our Youth leaders trained. This course is a national Youth Leader requirement and failure to attend one of these courses may affect your youth leadership/participation status.
