RE: **National Youth Leadership Training Course for 2008 - Certificate Program
Belleville - March 15 & 16, 2008**

The National Youth Leadership Training Program is a course that has been developed over the last eight years and is currently being rolled out to all Youth Leaders across Canada. This informative course introduces leaders to the Youth program, and outlines all the required information and disciplines needed to run an effective Youth program. **This course is essential for all Youth leaders and Community Services support staff across Canada that have direct involvement with Youth. Current Youth leaders and support staff are required to have certification in this course.** New Youth leaders and support are required to attend the course within the first year of taking on their position.

Council will be holding this course the weekend of March 15 & 16, 2008 in Belleville, Ontario to facilitate the training of all Youth Officers and volunteer support staff (e.g. RCSCs, etc.) that have direct involvement with the Youth of the St. John Ambulance. The course will be held at the St. John office in Quinte (Belleville) which is located at 417 Montrose Road in Belleville, Ontario. The course will run from 9 a.m. - 5 p.m. on Saturday and 9 a.m. - 4 p.m. on Sunday.

A copy of the course manual is available on-line for viewing at www.StJohnOnline.ca under the resources tab. A hard copy of the manual will be provided to you when you take the course. The course is no charge to the participants. Travel expenses for the weekend will be the responsibility of the participants. Council will provide snacks in the morning and afternoon and a full lunch. Coffee and tea will be available at all times to participants.

Council is committed to the National goal of having all of our Youth leaders and support staff trained. This course is a national Youth Leader requirement and failure to attend one of these courses may affect your youth leadership/participation status.

If you have any questions about the National Youth Leadership Training Course, please contact the Provincial Office at 1-800-268-7581 ext. 282.
