How do I do that? What can I do about this? I need some new ideas!!!! I have great ideas! I want to help, but I'm not sure how?

Have you ever said this to yourself? Well, you can ask those questions, learn and help others with your ideas at our Youth Leaders conference being sponsored by the St. John Council for Ontario and being held at the University of Guelph on Saturday April 14<sup>th</sup>, 2007. Registration is at 8:30am in the MacKinnon Hall with the Conference taking place between 9am and 5pm. Lunch will be provided free of charge to all participants. It is encouraged that all St. John Ambulance members 18 and over that deal directly with Youth or wish to better understand our Youth Program better attend. This will be the largest gathering of Youth Leaders in a long time and the potential of gaining valuable information and networking with other Youth Leaders and supporters of our Youth Program is immense.

Some of the sessions that will be held at the conference will include:

- Recruitment and Retention – Leaders and Youth Program Participants
- Fundraising
- Program/Admin Planning, including new revisions to the Program
- Leadership – Officers and NCOs
- Future ideas for our Youth Program

We will have several ½ hour breaks through the day so you can ask any questions that you have and share your ideas with other people. We will have lots of experienced Youth Leaders and resource people identified and available who will be glad to answer any questions/concerns that you have. As well there will be lots of time within the sessions to have discussion and ask the questions related to those topics and share ideas.

We will also share more information with you about the upcoming HIP7 Rally at the end of the day and provide tours of the facilities so you can get a sense of the environment that Youth attending the Rally this summer will experience.

Provincial Youth Program Advisor
