RE: NEW BROCHURES

Attached please find samples of two new brochures available through St. John Council for Ontario courtesy of our National office.

1. The St. John Ambulance Brigade At Your Service

This brochure is intended for service volunteers to give to people who have just benefited from St. John Ambulance's services. It's seen as a simple way to say "we've just helped you and now here's what you can do to help us".

2. CPR Card

Again National was doing some house cleaning and came across these cards. They will be handy at mall displays or community events.

Use the attached order form. Windows 95 has changed the shape of the chart but the content is basically the same. Call if you have any questions.

Have a safe day! Tina.
