RE: **Logo Contest for the 2001 National Brigade Patient Care Competition – EXTENDED DEADLINE**

Ontario is hosting the National Brigade Patient Care Competition in May 2001 at York University in Toronto, Ontario.

Ontario Brigade members are being asked to design the official logo for this competition. It should reflect Ontario - St. John Ambulance. Competition teams will be coming from all across Canada and we need to be proud of Ontario. The logo will be used on T-SHIRTS, PINS and OFFICIAL DOCUMENTS for the competition.

I invite all members to submit their design. Please include with your design your name, address, and daytime phone number. If you wish to email your design please attach your logo as a .GIF or .JPG measuring no more than 640 x 480 pixels and include the above contact information and email address. If clipart is used as part of the logo design, please include the source, and respective copyright information.

All submissions become and remain the property of St. John Ambulance.

Prizes will be awarded for the best overall design. Guidelines for using the St. John Ambulance logo are available from the St. John Council for Ontario on request. Entries must be received on or before **April 15th, 2000** at:
