RE: National Volunteer Week

Volunteer week is April 19-25, 1998. St. John Ambulance wishes to thank the thousands of volunteers who devote their time and talent to St. John Ambulance throughout Ontario.

In appreciation of the countless hours of service provided, we are giving each service volunteer and volunteer support person a specially produced lapel pin from NHQ. The pins are a shield shape, with the words "Volunteer", "Benevole" printed, as well as the St. John Ambulance logo and a design of two hands clasping in a handshake.

I would ask that you complete the attached form and forward it back to me before April 30th.

Please indicate the names of the service volunteers in your Branch, or Brigade Unit you wish to recognize in the spaces below, and mail/fax the form back to **Brian Cole at St. John Council for Ontario, 46 Wellesley Street East, Toronto, Ontario, M4Y 1G5, Fax: (416) 923-4856.**
